Continue working in rounds in pattern as established, always working 1 round with small shells followed by 2 rounds with large shells. You will work 5 rounds of each color, 1 round of white (always a small shell round), 5 rounds of next color, 1 round of white, and so on. Continue repeating rounds 8-13 with the number of dc increasing in each large shell round between the "ch 2 space" and the "skip 2 sts" until the last round of rainbow colors is worked. Join, cut yarn.

Final round: Using color G, work a *large shell round*. This is the only white round that is large shell, and this is to create sharp points around the edge of your afghan that will lay flat. Weave in any remaining ends. Block gently.
