This toy was crocheted with “YarnArt - BEGONIA” yarn. They are 100% cotton Mercerized, 169m/50g. To create a toy with a height of 7cm you must crochet with single yarn using a 1.50mm hook. The stuffing material used in this toy is polyester wadding.

2. ABBREVIATIONS

ch	chain
sl	slip stitch
sc	single crochet
INC	increase
DEC	decrease
BLO	back loops only

Useful Tips:

1. Use a smaller hook size than suggested on yarn label. For example, if the yarn label suggests that I use an H/3.00mm hook, I would use a H/1.50mm hook instead.
2. The toy must be crocheted with tight stitches, to be sure that there won't be any holes through which stuffing material can be seen.
3. To keep track of the beginning of the row, use a marker. Pin marker to the last loop of the row. Every new row must be finished with a loop at the marker.
