ABOUT THE PATTERN

If you watch a lot of HGTV, you can probably guess how this trendy slouch hat earned its name!

ABBREVIATIONS USED

MC (magic circle)

ST/STS (stitch/stitches)

SL ST (slip stitch)

SK (skip)

CH (chain)

HDC (half double crochet)

HHDC (herringbone half double crochet; see "special stitch")

SPECIAL STITCH

Herringbone Half Double Crochet (HHDC): Yarn over, insert hook into stitch. Yarn over, pull loop through stitch AND through first loop on hook (this is similar to a slip stitch motion). Two loops remain on hook. Yarn over and pull through both loops.

ADDITIONAL NOTES

(1) Pattern is worked in a continuous, seamless round until the band. Use a stitch marker to mark the beginning of rounds and do not join unless instructed to do so.

(2) Since we are working in a seamless round, your ribbing rows will not meet up perfectly in the back. This is unavoidable, and the alternative (joining each round) is much, much more obvious. (Trust me, I tried it.)

(3) Pattern uses regular HDC to set up each ribbing row. The abbreviation is very similar to HHDC, so pay attention!

(4) To find the "3rd loop" (as mentioned in Round 13 and every 4 rows after that), reach over your top loops and insert your hook into the loop just past (below) the top loop that is furthest from you. (Also called the Camel Stitch or RibHDC.)
