

Study of Texture Afghan

by Michael Sellick

Revised July 7, 2019

Please Note the video tutorial can be followed on its own but not using this. It works if you follow the tutorial as is but the revisions in the written words doesn't match the tutorial. So either follow the tutorial 100% or follow this written instruction 100%. Don't use both side by side. The tutorial will show you the stitch concepts but the counts will be slightly different.

Pattern is written by Mikey of The Crochet Crowd. Special thanks to Svetlana, Designer for Yarnspirations, for helping to fix errors.
