Skip the stitch "in front of" the Bpdc.

**Fpdc (Front post double crochet) =** Yarn over, insert hook from front side of work to back and to front again around post of indicated stitch; yarn over and pull up a loop (3 loops on hook), yarn over and draw through 2 loops (2 loops on hook), yarn over and draw through 2 loops (1 loop on hook).

## Notes

1.  Cozy is worked in 2 sections. Capelet (lower section) is worked back and forth in rows then seamed to form a tube. Cowl (upper section) is worked in joined rounds.
2.  The circumference of the capelet alone will be larger than the finished measurements. The ribbed cowl will cause the top of the capelet to narrow.
3.  With a tape measure, measure around wearer's bust over the arms and work size that is closest to this measurement.
